BIG CROWDS

VISIT OHIO

All Honolulu seemed to be on board car carried a load of people to the around the gangway from one until four, the visiting hours. People climbed all over the big fighting machine from the shaft tunnel to the crow's nest, far above the fighting tops. At times some of the narrow passageways became erowded, but everybody was in good humor and jostling was taken as a matter of course.

The jackies were always ready to show visitors around the ship and many of them were put to it to answer the questions of some of the people. Everything was in apple-pie order, awnings had been stretched over the decks and the battleship was a thing of beauty. Today she will begin to load 1600 tons of coal. It is possible that there will be another opportunity for the public to inspect the ship, arthough this is not certain.

THOMAS DELAYED.

The transport Thomas will not sail until 5 o'clock this afternoon. She was scheduled to leave at 11 o'clock this morning. The change of program was into her this morning. On the trip repairs. down coal was used out of the wrong bunkers by mistake, making it difficult to load coal in here. There should be a brilliant scene at the sailing of the big troopship. It is probable that the Sheridan will be in the harbor and Freight received at Company's wharf, with the seven or eight hundred men on the Ohio and several bands there should be plenty doing and a scene worth seeing.

VESSELS DUE TODAY.
